## HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

SchaOn and Andre, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

SchaOn and Andre, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

## **LIFE PATH**

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. SchaOn, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

### ***SchaOn, your Life Path is 31/4***

SchaOn, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. SchaOn, you have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

SchaOn, you are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

### ***Andre, your Life Path is 34/7***

Andre, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

Andre, you enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of an emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the

true joy of friendship and close companionship.

Andre, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

### ***Your Life Path's compatibility is 4 and 7***

SchaOn and Andre, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

SchaOn and Andre, your combination is almost made in heaven. The "almost" can't be left out because there are some sharp angles to be rounded off. This relationship is founded more on intellectual and spiritual levels than on the sensual, physical plane. SchaOn is practical and grounded, goal-oriented - SchaOn is a doer. SchaOn can take ideas, quickly eliminate what won't work or is unrealistic, and then make the realistic ideas materialize. SchaOn is of the earth. Andre, on the other hand, is full of ideas and spiritual search, philosophical and a bit of a dreamer. So, earth and heaven make up this combination, and, just like earth and heaven, you can't exist without each other. Although this is only one aspect of the chart, its influence will help you overcome many of the obstacles and challenges inherit in every relationship.

This combination is often found among relationships that started at a very early age - something that can be explained by the fact that both numbers are drawn to each other because what they have to offer is exactly what they need from each other. SchaOn experiences Andre's more abstract and philosophical outlook on life as offering freedom and space for SchaOn's solid, dependable, but somewhat too structured, restricting views. At the same time, SchaOn offers Andre a stable, secure port in an internal universe that is often chaotic and highly unstable. As a number seven, Andre knows the dangers that lurk in the dark corners of the subconscious when the mind wanders too far into the realms of dreams and abstract fears. While SchaOn offers a safe haven to Andre, helping Andre find peace and comfort, Andre, in return, brings freedom to SchaOn's spiritual and mental experiences. Supported by this mutual complementation,

this four and seven combination can bring about childhood romances that will last for a lifetime.

The sharp angles I mentioned earlier are found on the more mundane, physical plane. This is where you both may have to compromise if you want your relationship to develop. While SchaOn requires order and respectability, Andre is more comfortable with a bit of chaos, in which Andre can pose as an observer, an unconventional observer, not per se seeking the approval of others.

If you are successful in compromising on the material plane, your relationship will be very satisfying and you will get as close to the proverbial "soul mates" as any two people can get.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***SchaOn, your Expression is 11/2***

SchaOn, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where

control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

SchaOn, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

SchaOn, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

### ***Andre, your Expression is 36/9***

Andre, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Andre, you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Andre, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

### ***Your Expression's compatibility is 2 and 9***

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Whereas SchaOn is open and easy going in matters of the heart, Andre is more careful and perhaps distant. In fact, Andre knows that it is in part this care, this need to maintain a safe distance, which has caused passed relationships to crash. It is not easy for Andre to be deeply involved in a relationship and trust that it is safe to act un-inhibited, unselfconsciously. On the other hand, it is natural for SchaOn to respond to the moment without first having to weigh possible consequences. SchaOn can be immediate, responsive and fearless like a child and, just like a child, feel totally safe. Always seeking the shelter of the inner world, Andre needs to learn to let go, to surrender to the heart, if this relationship is to endure and grow. You can give love and friendship left and right, Andre, there is no shortage of love in you. On the contrary. The number nine is self-sacrificing and generous to a fault. Maybe that is the way you release all the love in you. A problem exists only when this love comes too close to the inner Andre. As long as there is some distance, you feel safe. The moment someone attempts to step into your inner world, you have a tendency to close the doors. SchaOn, you are very different. You will certainly invite Andre to share even the deepest moments, without inhibition. But when Andre backs away from that, SchaOn, you may well respond with confusion, jealousy and resentment.

As you may have realized by now, the two and the nine don't get along too well. Although both are caring, loving numbers, the idealistic nine gives to the world and to strangers, while a much more emotionally involved two focuses on one person as the object of its love.

Interestingly, the two and the nine can form powerful alliances in other circumstances, particularly in business. Between the two of them, they can negotiate and influence just about anyone or anything. It is in matters of the heart that their needs and desires are not very compatible.

All this can be countered, albeit with some effort. Andre, you would help yourself and SchaOn if you could "loosen up" a bit. Relax the constant vigilance and allow yourself to be more responsive to the moment.

SchaOn, you should try to understand that Andre's need for some distance doesn't mean the love is not real, or not as strong as yours. If you are able to keep that in mind, you'll be able to build a peaceful, enjoyable relationship. A relationship, by the way, that can also be very prosperous if you are smart enough to take advantage of the powerful alliances the two and the nine allow for, especially in the business world.

## HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***SchaOn and Andre, your Heart's Desire is 23/5***

SchaOn and Andre, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Freedom is essential for your happiness. SchaOn, you love change, new experiences, meeting new people, adventure and travel. You love the exotic, far away places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes.

Whenever you fall, you tend to land on your feet.

SchaOn, you are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

SchaOn, you enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly.

Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

SchaOn, you are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal.

Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full and you will make great strides in personal growth.

### ***Your Heart's Desire's compatibility is 5***

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

SchaOn and Andre, in this particular part of the chart, you both have a five, a number full of contradictions, no matter where it is found. For example, the five is sensual and freedom loving. It doesn't like to be tied down in any way. The five carries a tendency for indulgence, often expressed in sexual promiscuity, overeating, or drug or alcohol abuse. Paradoxically, the five is also loyal and less likely to cheat than any other number. The five will avoid commitment as much as possible, but once committed it takes it very seriously.

Probably, you both recognize this within yourself and each other. You both take your commitment very seriously and you are both willing to accept a lot from each other. With your tolerant, easy going and flexible personality, you know how to adapt to each other, allowing your partner more freedom than most couples. This mutual understanding is just one of the many strong supports in this combination that can thus weather many

storms.

However, there is a dangerous side to this relationship, as there is to any other. SchaOn and Andre, the danger does not come from outside, but from inside. You are both adventurous people who require change and variety in your lives. You don't like routine and often make a change. Even major changes, such as switching career or moving to another town. Even when there is really no rational need for this change. It is this urge for freedom and adventure that can also be the source of trouble. This tendency towards trying new things, experimenting with the boundaries of life, is sometimes expressed in a somewhat wild life style that often includes drugs or other vices.

In most partnerships, if one partner has a "wild streak" the other may be able to put on the brakes. In your particular case, you may find yourself in a situation where both of you have ventured into the danger zone and there may be no one to put on the brakes.

SchaOn and Andre, the key to a successful relationship for you is not hard to grasp - just be yourself. You have much in common and all the ingredients are there for a long and happy and probably fun-filled relationship. However, in order to prevent a slow slide into a lifestyle that could eventually be quite difficult to get out of, you must be absolute honest and use a healthy dose of self-criticism. When you see yourself - or your partner - sliding towards some form of abuse, engaging in a search for the pleasures of the flesh, do not hesitate to act promptly and honestly. Be careful not to let your need for freedom and adventure push you in the wrong direction. More than in any other number combination, discipline and moral values are required.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

***SchaOn, your Personality is 6***

SchaOn, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

SchaOn, you are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

### ***Andre, your Personality is 13/4***

Andre, you radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly.

You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance.

You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family

provides. You are a good provider and protector. But family members may take your efforts for granted.

Andre, you are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

### ***Your Personality's compatibility is 6 and 4***

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

It is not all that common for these two numbers to “fall in love.” Although these numbers carry some common traits - the two of them are practical, grounded, and highly responsible - they are rarely interested in each other. The four and the six are both family-oriented numbers, with a strong sense of community and loyalty to others, but they tend to compete where you might expect them to support each other. This is only one aspect of your charts, but, quite possibly, the hardest to overcome at the onset of the relationship. However, if support prevails over competition and you do become involved in a romantic relationship, it will usually be a strong, comfortable alliance right from the very beginning, an alliance that will, more often than not, last for a long time. It will be the kind of relationship others recognize and view as indestructible. It is understood that “Andre and SchaOn are always together”, you make the “perfect couple” - those are statements people around you wouldn't even consider questioning.

This contradiction is explained by the fact that you have a lot in common in some ways but, at the same time, you have some major differences to overcome.

As we mentioned, Andre and SchaOn, the two of you are responsible and family oriented. Your priorities have to do with the home, children, friends, stability and security. You are both very loyal and protective of each other and of those you care about. It is in the underlying energy and in the way you express it that you are very different. While Andre relies on structure, discipline, and control to protect, love and care for others, SchaOn relies on love, sacrifice and forgiveness. Andre is much less flexible and may, at times, feel that SchaOn is too soft and forgiving. You make up a relationship typically characterized as the disciplinary father and the soft mother, or vice versa.

For those around you, the impression is that Andre is harder and less loving, while SchaOn is pure love and gentleness. This is not an accurate perception, though. Andre's love is no less strong than SchaOn's - it is just not as openly expressed. When push comes to shove, Andre will fight and sacrifice just about anything to protect SchaOn, the children, or anyone else who is part of Andre's life.

A certain danger exists when some of these attributes become too strong. Andre's need for discipline and structure may, at some point, become too much for SchaOn, suffocating and limiting SchaOn's ability to express love easily and without fear. Another possibility would be SchaOn becoming a bit of a doormat everyone takes advantage of,

which might lead Andre to lose respect for SchaOn. Andre and SchaOn, you can, together, balance these opposites and maintain a strong and lifelong relationship if you just remember that, deep inside, you value the same things.

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. SchaOn, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

### ***SchaOn, your Personal Year for 2008 is 5***

This is a year of dynamic change, SchaOn. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

### ***Andre, your Personal Year for 2008 is 9***

This is your year to finish up all unfinished business, Andre, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Andre, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

### ***Your Personal Year's compatibility for 2008 is 5 and 9***

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

SchaOn and Andre, this combination of cycles can be quite challenging. Almost certainly, this is a bit of a trying time for Andre, who feels somewhat at a loss as to where to go next, what the future holds, and so forth. There are few answers for many of the doubts and questions. The current cycle for Andre feels like the end of a long, long day, when one is worn out, energy is low and one is emotionally charged and insecure. Don't worry too much, Andre, the next cycle will bring in a whole different energy, much more uplifting, inspiring, and powerful.

On SchaOn's side, it will be a period of more energy and less patience than usual. And patience is exactly what Andre needs. Therefore, the most important ingredient necessary to make this period as good as it can be, is for SchaOn to muster up as much patience as possible and use it to comfort and support Andre.

And, if things get a bit difficult during this time, SchaOn and Andre, keep in mind that you are under the powerful influence of cycles that are not very compatible. And cycles are,

by nature, only temporary.

### ***SchaOn, your Personal Year for 2009 is 6***

This is a year of progress and financial advancement, SchaOn. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

SchaOn, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self-reflection and readjustments, and December brings a sense of completion and fulfillment.

### ***Andre, your Personal Year for 2009 is 1***

Be ready for major changes. Andre, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

Andre, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the

foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

### ***Your Personal Year's compatibility for 2009 is 6 and 1***

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, SchaOn may, at the same time, be the target of too much attention by someone else. In the meantime, Andre will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Andre to start paying attention to SchaOn. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible, even if that proves to be somewhat inconvenient. There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

### ***SchaOn, your Personal Year for 2010 is 7***

SchaOn, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, SchaOn, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

### ***Andre, your Personal Year for 2010 is 2***

Andre, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Andre, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

### ***Your Personal Year's compatibility for 2010 is 7 and 2***

Andre, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that SchaOn is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. SchaOn is going through a time of self-reflection, a time of spiritual wondering. For SchaOn, this is a time when life itself demands a lot of attention.

Andre, your best response is to focus on your own life. Quite different from SchaOn, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Andre should be focused on the practical side of living; career,

the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Andre and SchaOn, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

## **PERSONAL MONTHS**

### ***SchaOn, your Personal Month for January 2008 is 6***

SchaOn, January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

SchaOn, you may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

### ***Andre, your Personal Month for January 2008 is 1***

Andre, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of

many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

### ***Your Personal Month's compatibility for January 2008 is 6 and 1***

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, SchaOn may, at the same time, be the target of too much attention by someone else. In the meantime, Andre will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Andre to start paying attention to SchaOn. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible, even if that proves to be somewhat inconvenient.

There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

### ***SchaOn, your Personal Month for February 2008 is 7***

SchaOn, February is a 7 Personal Month in a 5 Personal Year and finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this

month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

### ***Andre, your Personal Month for February 2008 is 2***

Andre, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

### ***Your Personal Month's compatibility for February 2008 is 7 and 2***

Andre, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that SchaOn is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. SchaOn is going through a time of self-reflection, a time of spiritual wondering. For SchaOn, this is a time when life itself demands a lot of attention.

Andre, your best response is to focus on your own life. Quite different from SchaOn, who is consciously or sub-consciously, involved on a deep level with the mystery of life

and all its manifestations, Andre should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Andre and SchaOn, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

### ***SchaOn, your Personal Month for March 2008 is 8***

SchaOn, March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

### ***Andre, your Personal Month for March 2008 is 3***

Andre, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Andre, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

### ***Your Personal Month's compatibility for March 2008 is 8 and 3***

Creativity, optimism, and inspiration are the main ingredients in Andre's cycle. Ambition, goals, and financial rewards are the components ruling SchaOn's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each other. Andre and SchaOn, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Andre is inspired and active, but not focused on goals so much as on the activities themselves, while SchaOn is completely focused on the bottom line. As a result, SchaOn may feel Andre is irresponsible. Andre, on the other hand, may feel that SchaOn is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.

### ***SchaOn, your Personal Month for April 2008 is 9***

SchaOn, April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

### ***Andre, your Personal Month for April 2008 is 4***

Andre, April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

### ***Your Personal Month's compatibility for April 2008 is 9 and 4***

Andre and SchaOn, the four and the nine are not the most compatible of cycles. As a matter of fact, this combination often causes emotional turmoil within a relationship, in part because SchaOn is at the end of a series of cycles, a time when one's feelings and emotions are always unpredictable. SchaOn needs to let go of the old and prepare for the new, and letting go invariably brings on powerful emotions. Andre, on the other hand, is experiencing a time during which there is little room for feelings or sensitivity of any kind. Andre's focus is on practical matters: career, work, taking care of details, effort and discipline. Andre needs to see results and progress.

This is a time when SchaOn needs Andre to offer understanding and to show that you are walking the same road towards common goals. In contrast, Andre would rather see SchaOn getting on with the more mundane business at hand.

Andre and SchaOn, you must be conscious of the fact that you are going through very different stages and, at this time, the best advice for both of you is to try to be as close to each other as you can be. Take the effort to focus on your partner and not on yourself. Most importantly, get away from the daily grind and do things you enjoy doing together as often as you can manage: go to the movies or go dancing, or paint the town red if necessary.

### ***SchaOn, your Personal Month for May 2008 is 1***

SchaOn, May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already

committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

### ***Andre, your Personal Month for May 2008 is 5***

Andre, May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. Andre, you need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

### ***Your Personal Month's compatibility for May 2008 is 1 and 5***

This is a highly compatible combination, SchaOn and Andre. SchaOn is at the brink of a new direction where signs of opportunity and progress are very clear. Andre also faces a dynamic time, but a period in which little goes according to plan. If you had to draw a schematic of these cycles, the one cycle as found in SchaOn's chart would probably show a straight line throughout the period, perhaps a few bends and curves, but all clearly going in one direction. As in Andre's schematic, the five cycle would be represented by nothing but curves and bends alongside very few straight lines. So, the conclusion is: the whole cycle is about change and movement. SchaOn and Andre, for both of you this is a time in which you may have less opportunity – and even less desire - to pay a lot of attention to each other. You would do well accepting that from the beginning so neither of you will feel left out and ignored. You are both going to have your hands full and need to apply yourself to your own needs and desires. For Andre, the keyword is discipline. Try to stay focused but be flexible at the same time. For SchaOn, the keyword is drive. Take advantage of your energy and do your best to reach your goals. It sounds like a contradiction, but if you both apply yourself to your own needs, you will be doing each other a favor and the chances of disrupting your relationship will be smaller. Rest assured; you will be spending lots of time together next cycle, when the two and the six rule.

### ***SchaOn, your Personal Month for June 2008 is 2***

SchaOn, June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. SchaOn, your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or....cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your backs and go. This will turn out to be beneficial.

### ***Andre, your Personal Month for June 2008 is 6***

Andre, June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

### ***Your Personal Month's compatibility for June 2008 is 2 and 6***

No two cycles are so completely involved with the heart as the 2 and the 6. SchaOn and Andre, this is a combination of cycles that has only two possible outcomes. Simply put it is either very good or very bad. There is not much room in the middle.

You will almost certainly experience some major disagreements. It is in how you handle them that makes all the difference. And it is the strength of your love, and the depth of your feelings, that influence the way you respond. Therefore, you can see this

combination of cycles, SchaOn and Andre, as a kind of spiritual and emotional. It is important to realize that the test takes place on the level of the heart and anything that seems to be the cause of a disagreement has only a superficial meaning. In fact, the reasons are not important at all. Anything will do. Perhaps one of you wants to move, the other wants to stay. Or one wants to take an older relative into the house, the other doesn't. One wants children, the other doesn't. The reason is never the cause. Remember this: The key ingredients needed to prevent your relationship from breaking down are loyalty, commitment, and honesty.

Andre, July is a 7 Personal Month in a 9 Personal Year. It represents a time of insight and awareness. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come.

Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition, and have faith in yourself and your Creator.

Andre, your career and finances are not priorities, except when they relate to plans you may have for the future.

This is a time to prepare for the long-term, not to reach for immediate rewards.

***Your Personal Month's compatibility for July 2008 is 3 and 7***

Two very different and completely opposite cycles are affecting your lives right now, SchaOn and Andre. For SchaOn, everything lightens up like a sunny day after a period of overcast skies, while for Andre this is a more serious time, a time of self-awareness and self-discovery. Your moods are different and you may find it hard to communicate clearly. SchaOn may become frustrated with Andre and vice versa. SchaOn is in a light-hearted, optimistic cycle while Andre is serious and perhaps even moody and pessimistic.

This difference can be offset by paying attention to each other's needs, in particular on the physical plane. Express your love for each other, as much as you can, in the most basic forms known to man; reach out and be there for each other.

It is also important for SchaOn to understand that the quiet, withdrawn mood that seems to dominate Andre is only temporary and represents a kind of healing. The soul is asking for attention and Andre is just responding. Sometimes, this combination of cycles causes a breakdown in a relationship. If you feel that you are approaching the danger zone within your relationship, SchaOn and Andre, you will be able to overcome this by sharing your feelings as honestly as possible. And remember, you are both, but Andre in particular, strongly affected by this cycle. Remember also, that cycles, by their very nature, are only temporary. Patience and tolerance are the keywords to get through this challenging period.

***SchaOn, your Personal Month for August 2008 is 4***

SchaOn, August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

***Andre, your Personal Month for August 2008 is 8***

Andre, August is an 8 Personal Month in a 9 Personal Year. It brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance.

Use any extra income you might have to pay off your debts.

You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change, or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

### ***Your Personal Month's compatibility for August 2008 is 4 and 8***

SchaOn and Andre, this combination of cycles can be either very good or very bad. It provides no middle ground.

Metaphorically speaking, SchaOn feels like someone who has to struggle through mud wearing heavy boots -- there is progress, but excruciatingly slow, and every step requires considerable effort. Andre, on the other hand, feels like everything is within arm's reach. All that is needed to achieve a goal and get a reward is simply to reach out and grab it. Together, these cycles either pull the best out of each other or enhance each other's negative influences. Andre's optimism and can-do attitude during this time can be for SchaOn like a red flag for a bull, while SchaOn's frustration and total focus on matters at hand can work like a cold shower on Andre's dynamic energy and optimism.

Or SchaOn's efforts and dedication can be an inspiring influence to Andre, while Andre's upbeat energy will certainly uplift SchaOn, alleviating much of SchaOn's frustration and anxiety. To top it off, you will both be able to clearly recognize the effect you have on each other during this time. As a result, you will either feel love, gratitude, and appreciation for your partner, or anger and blame, depending on how you respond to each other's needs.

The key to getting the best out of this combination of cycles is to be aware of your partner's needs and state of mind, and not to get caught up in your own world to the extent that you don't know what is going on with the person you have chosen to be with.

### ***SchaOn, your Personal Month for September 2008 is 5***

SchaOn, September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are

challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. SchaOn, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

### ***Andre, your Personal Month for September 2008 is 9***

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

### ***Your Personal Month's compatibility for September 2008 is 5 and 9***

SchaOn and Andre, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

### ***SchaOn, your Personal Month for October 2008 is 6***

SchaOn, October is a 6 Personal Month in a 5 Personal Year. It brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion.

This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your well being this month.

If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

### ***Andre, your Personal Month for October 2008 is 1***

Andre, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Andre, you may meet someone who becomes a permanent fixture in your life.

### ***Your Personal Month's compatibility for October 2008 is 6 and 1***

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, SchaOn may, at the same time, be the target of too much attention by someone else. In the meantime, Andre will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Andre to start paying attention to SchaOn. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible,

even if that proves to be somewhat inconvenient.

There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

### ***SchaOn, your Personal Month for November 2008 is 7***

SchaOn, November is a 7 Personal Month in a 5 Personal Year and directs the focus to your inner self. Some people experience this month as lonely but it doesn't have to be.

You will be inspired to refine your understanding of your place in the universe. Spiritual growth will be of priAndre interest to you now.

Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think.

You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

### ***Andre, your Personal Month for November 2008 is 2***

Andre, November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

### ***Your Personal Month's compatibility for November 2008 is 7 and 2***

Andre, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that SchaOn is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. SchaOn is going through a time of self-reflection, a time of spiritual wondering. For SchaOn, this is a time when life itself demands a lot of attention.

Andre, your best response is to focus on your own life. Quite different from SchaOn, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Andre should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Andre and SchaOn, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

### ***SchaOn, your Personal Month for December 2008 is 8***

SchaOn, December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

### ***Andre, your Personal Month for December 2008 is 3***

Andre, December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

Andre, you are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

### ***Your Personal Month's compatibility for December 2008 is 8 and 3***

Creativity, optimism, and inspiration are the main ingredients in Andre's cycle. Ambition, goals, and financial rewards are the components ruling SchaOn's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each

other. Andre and SchaOn, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Andre is inspired and active, but not focused on goals so much as on the activities themselves, while SchaOn is completely focused on the bottom line. As a result, SchaOn may feel Andre is irresponsible. Andre, on the other hand, may feel that SchaOn is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.
